

## Math 215

### Tile Trials Homework

1. You are to make 2 Tile Trials puzzles.
2. Each puzzle should be on an 8.5 by 11 sheet of paper.
3. The answers to the puzzles must be included on a separate piece of paper.
4. Each Tile Trials puzzle must have ten empty spaces (boxes or circles are both fine) for the digits 0 through 9.
5. Make the puzzles so that they are appropriate for some grade level (or grade levels) between K and 6.
6. The directions for each puzzle should not be complicated. Each puzzle should basically be self-explanatory.
7. Make sure that your writing is neat and clear.
